FAQ'S

ARE MY PREVIOUS COUNSELLING QUALIFICATION RECOGNISED?

There is no mandatory prior learning necessary for this course. If you have prior learning that is applicable to counselling, speak to one of our friendly staff to discuss the best course option for you.

ONCE I FINISH THE LEVEL 2 COURSE AM I AUTOMATICALLY ACCEPTED ONTO THE LEVEL 3?

All of our students get priority booking onto future courses. You will still have to apply for the level 3 but as long as you do this (and pass your level 2!) yes, you would be guaranteed a space.

I HAVE ADDITIONAL LEARNING NEEDS, DO YOU SUPPORT THESE NEEDS?

Absolutely! we provide free of charge one to ones, adapted learning and learning support plans for anyone who may need a little help with their learning.

FAQ'S

I KNOW I AM GOING TO MISS SOME LESSONS IN ADVANCE, WILL I FAIL BECAUSE OF THIS?

Its very unlikely! attendance must be 80% or above which means 3 lessons can be missed without any direct repercussions we recommend that students let us know in advance if they know they are unable to make their lesson so we can create an online lesson for them.

ARE LESSONS EVERY SINGLE WEEK?

Lessons only take part during term time, your schedule will be given to you at the start of the course.

IS THIS COURSE BACP ACCREDITED.

No, the course is CPCAB accredited, which means it is recognised by the BACP and will be very easy for you to apply for accreditation once your studies have been completed.
